TERMS GOVERNING SALE

1. This is a public auction and mail bid sale conducted by the RARE COIN COMPANY OF AMERICA, INC. with the trade name RARCOA.
2. A 10% Buyer's Fee will be added to the auctioneer's hammer price of each lot. This 10% Buyer's Fee will be added to the invoice of each successful bidder regardless of bidder's affiliation with any group or organization. Sales tax, if applicable, will be added to the total amount of each invoice including the Buyer's Fee.
3. All material shall be sold to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the auctioneer shall have the right to recall the lot and put it up for sale again. In all cases, the auctioneer's decision shall be final. For the bidder's protection, NO "UNLIMITED" OR "BUY" BIDS WILL BE ACCEPTED.
4. Auction sales are strictly for cash and lots must be paid for promptly in U.S. funds. Credit cards such as VISA, MasterCard, American Express, and others may not be used for payment. Bids cannot be accepted from those under 18 years of age without a parent's written consent.
5. Floor bidders who have not established credit with RARCOA must furnish satisfactory credit references or deposit 25% of their total bids for that session before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded after that session.
6. Bids must be for an entire lot. No lots will be broken up. Lots will be sold in their numbered sequence unless the auctioneer directs otherwise.
7. All items offered in this catalogue are guaranteed to be genuine and as described. Claims to the contrary must be made within seven (7) days after receipt of material. No lot may be returned without the prior written consent of RARCOA. LATE REMITTANCE FOR PURCHASES, HOWEVER, ABROGATES THIS PRIVILEGE.
8. Grading is a subjective description in the opinion of the cataloguer as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloguer and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
9. This is not an approval sale. Bidders are expected to keep, and promptly pay for, all lots for which they are the highest bidder as determined by the auctioneer. Floor bidders are encouraged to carefully examine all lots in which they are interested, since NO LOTS PURCHASED BY FLOOR BUYERS MAY BE RETURNED.
10. Mail bids will be accepted from those who cannot attend the sale in person. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next dollar amount. Successful mail bidders will be awarded the lot at a nominal advance over the next highest mail or floor bid. Postage, registration fees, 10% buyer's fee, and sales tax, if required by law to be collected, will be added to the invoice of any lots that are shipped to successful bidders. Bid sheets received from locations where there are mail and/or trade restrictions may be respectfully declined. If a mail bidder has not established credit, satisfactory credit references must be provided or the mail bidder must furnish 25% of his total bids for the sale before his bids can be accepted.
11. When identical mail bids are received by the auctioneer for each session, preference is given to the first received. A mail bid will take precedence over an identical floor bid and a floor bidder must bid higher than the highest mail bid to be awarded any lot. The auctioneer reserves the right to refuse ridiculously low bids which he, in his sole discretion, feels are not made in good faith.
12. The auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot.
13. Title to any lot will remain with RARCOA until the lot is paid for in full. We reserve the right to require payment in full before delivering any lot to the successful bidder. It is the Buyer's responsibility and obligation to have the lots fully insured while in his possession. All care is taken to insure prompt and safe delivery of merchandise. However, risk of loss is on the buyer. All lots shipped to addresses outside the U.S.A. will be shipped by Registered Mail. However, since the U.S. Postal Service allows only a token amount of coverage on parcels sent to foreign addresses, we urge all successful bidders with mailing addresses outside the U.S.A. to arrange for their own insurance coverage prior to shipment of lots. A 1% fee (of the total amount of each invoice including the Buyer's Fee) will be added to any overseas delivery, if the bidder requests RARCOA to handle the insurance coverage. Buyers will be notified as to the date of shipment and amount of purchases.
14. All lots are subject to Chicago city tax and Illinois state sales taxes, as required by law. Individuals purchasing lots for resale must be prepared to submit an exemption certificate signed by the purchaser or his agent and recognized by the State of Illinois, with their current resale certificate or number, or be subject to the sales tax.
15. The auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing and able to pay.
16. BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS AND CONDITIONS.

Lots may be inspected on our premises from March 4 to March 14 by appointment.
Lots may be inspected at the Hyatt Regency Chicago beginning March 15.

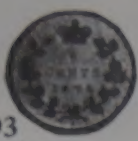

FLOOR BIDDERS, PLEASE USE THE SAME BIDDING NUMBERS FOR ALL SESSIONS

The silver issues all have the same coloration, being medium to dark toned. The gold is also uniform, having frosted head of Queen Victoria and mirrored, proof fields. All of the coins in the set have light to moderate handling, but evidence of this can best be seen only with aid of magnification. A truly RARE opportunity for the specialist, especially considering that only approximately 300 sets were issued and few of that number are extant today. Worth over \$50,000 at the height of the market we would expect this set today to realize approximately half, after the bidding ends. [15 pcs.] (\$22,500)

ACAPULCO ROOM

The Modern Coins of Greece

It is with great pleasure that RARCOA is able to offer the following specialized collection of Modern Greek and Greek-related coins. The collection was painstakingly assembled over a period of years. Great attention was given to both quality and rarity. Many varieties are included, some of which go years between appearances. A number of the coins were purchased in Greece, some from the fabulous Spink number 5 sale in 1979, some from our previous sales. No collection as comprehensive as this has been offered since the aforementioned Spink sale, making this a great opportunity for the specialist.

- 1096 1833 1/4 Drachma. Munich mint. Divo 16, Cr. 10. Golden toned Virtually UNCIRCULATED. A bit softly struck, with light adjustments through shield. (\$150)
- 1097 1834-A 1/4 Drachma. Paris mint. Divo 16, Cr. 10. Virtually As Struck, with lovely color and lustre. Not quite fully struck up. (\$150)
-
- 1098 1845 1/4 Drachma. Athens mint. Divo 16, Cr. 10. Strong EXTREMELY FINE, a few very minor scrapes, which are truly insignificant and do not detract from this rarity. Should be worth in excess of estimate. PLATE (\$750)
-
- VERY RARE 1851 1/4 DRACHMA**
- 

- 1099 1851 1/4 Drachma. Vienna mint. Divo 17, Cr. 14. A really choice example of this elusive date. GOOD EXTREMELY FINE, lustrous and well struck. (\$1000)

1100 1855 1/4 Drachma. Vienna mint. Divo 17, Cr. 14. Golden toned Choice **EXTREMELY FINE** with underlying lustre. **RARE** and always in demand. **PLATE** (\$450)

1101 1833 1/2 Drachma. Munich mint. Divo 14, Cr. 11. First year of issue. **CHOICE BRILLIANT UNCIRCULATED** with lovely rainbow coloration. Struck with clashed dies. (\$200)

1102 1834-A 1/2 Drachma. Paris mint. Divo 14, Cr. 11. **CHOICE BRILLIANT UNCIRCULATED**. Not quite fully struck, but still a beautiful specimen with great eye appeal. Both sides are draped with beautiful iridescent color. (\$200)

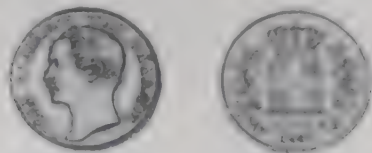

1103 1842 1/2 Drachma. Athens mint. Divo 14, Cr. 11. A **RARE** coin in any condition, this date is missing in many collections. Almost **EXTREMELY FINE**, very lightly cleaned. Minor rim irregularity, as struck. (\$450)

1104 1843 1/2 Drachma. Athens mint. Divo 14, Cr. 11. Cleaned **VERY FINE**. Some tiny surface digs. A **VERY SCARCE** issue. (\$350)

1105 1846 1/2 Drachma. Athens mint. Divo 14, Cr. 11. One of the true rarities in the series. **EXTREMELY FINE**, very lightly hairlined on obverse. Edge irregularity, as struck, on obverse at 11:00. Should be worth in excess of estimate. **PLATE** (\$600)

1106 1847 1/2 Drachma. Athens mint. Divo 14, Cr. 11. Another **VERY RARE** date that seldom appears for sale. Almost **EXTREMELY FINE**, weakly struck in crown area. **PLATE** (\$750)

EXCEPTIONAL 1851 1/2 DRACHMA

1107 1851 1/2 Drachma. Vienna mint. Divo 15, Cr. 15. Fully struck **CHOICE UNCIRCULATED**. The surfaces are rather deeply toned with lustre hidden beneath. Quite **RARE**, especially in full Mint State. We anticipate great interest among the specialists. (\$1250)

1108 1855 1/2 Drachma. Vienna mint. Divo 15, Cr. 15. Very **SCARCE**. Problem-free **EXTREMELY FINE**. **PLATE** (\$375)

1109 1832 One Drachma. Athens mint. Divo 12, Cr. 12. Lustrous. **GOOD EXTREMELY FINE**. Struck with clashed dies. (\$100)

1110 1833 One Drachma. Munich mint. Divo 12, Cr. 12. Ex. 1980 CIGF Auction sale, lot number 919, where it was described as "**CHOICE BRILLIANT UNCIRCULATED** with silver-grey toning over somewhat Proof-like surfaces. Unusual to find the Munich issue in this condition and worthy of a premium bid." (\$275)

1111 1833-A One Drachma. Paris mint. Divo 12, Cr. 12. Very **CHOICE BRILLIANT UNCIRCULATED** with fantastic toning over beautiful colorful, iridescent toning. A great coin worthy of a premium bid. **PLATE** (\$350)

RARE PROOF DRACHMA

1112 1833-A One Drachma. Paris mint. Divo 12, Cr. 12. Similar to the previous lot, except **CHOICE PROOF** and as such **EXTREMELY RARE**. The coin exhibits deep Proof surfaces and razor sharp strike with gorgeous deep toning. From our 1980 CIGF sale, lot number 921. In the past few years we have handled a couple of different specimens, each bringing in excess of \$1,000. Even in this "soft" market we would expect a similar price to be realized after the bidding ends. (\$900)

1113 1846 One Drachma. Athens mint. Divo 12, Cr. 12. One of the great rarities in the series that appears infrequently. **CHOICE BRILLIANT UNCIRCULATED** with very light golden toning over somewhat Proof-like surfaces. The strike is a bit weak, especially in lower obverse beading and upper crown area. This is typical for the issue and shouldn't be considered a detracting factor. **PLATE** (\$1250)

1114 1847 One Drachma. Athens mint. Divo 12, Cr. 12. Only **VERY FINE**, but **EXCESSIVELY RARE** and very much underrated. This problem free specimen is the first we have handled in ten years and it could easily be another ten before we even see another. The specialists will appreciate the rarity of this coin. **PLATE** (\$1000)

REMEMBER TO MAIL YOUR BID SHEET EARLY!

- 1115 1851 One Drachma. Vienna mint. Divo 13, Cr. 15.5. Very elusive one year type. Bold EXTREMELY FINE, underlying lustre. PLATE (\$900)

- 1116 1833 5 Drachmai. Munich mint. Divo 10, Dav. 115, Cr. 13. This Proof-like jewel is truly exquisite. A Very CHOICE BRILLIANT UNCIRCULATED specimen with medium rainbow toning on both obverse and reverse. Easily among the finest Munich specimen that we have handled. PLATE (\$750)

- 1117 1833-A 5 Drachmai. Paris mint. Divo 10, Dav. 115, Cr. 13. An incredible example of this very popular crown. GEM BRILLIANT UNCIRCULATED with semi-Proof-like surfaces draped in the prettiest toning imaginable with colors predominantly iridescent sea green and blue, with a hint of gold and pink. Quite similar in appearance to the specimen we sold in 1981 (for \$3,100). Today it should realize in excess of estimate. (\$1000)

- 1118 1833-A 5 Drachmai. Paris mint. Like the previous, only RARE variety with "accent" above second letter of obverse legend. VERY FINE. (\$125)

ATHENS (OWL) MINT RARITY

- 1119 1833 5 Drachmai. Athens mint, with Owl mint-mark. Divo 10, Dav. 115, Cr. 13. Ex: 1980 CICF lot number 922 (\$7,750), where it was described as follows; "Struck at the Athens mint with dies prepared in Munich...OF THE HIGHEST RARITY, certainly fewer than a dozen

specimens are known today and offerings of this issue in the numismatic marketplace are few and far between. The important Spink sale featured a scratched VERY FINE, nowhere near as nice as the specimen we now offer for sale to the highest bidder. Our coin is virtually UNCIRCULATED with light toning over rather deep Proof-like surfaces. There are a few light rim imperfections that are minor and really do not detract from this RARITY. Should see very strong bidding with the winning bidder becoming the proud new owner of one of the Rarest coins in our entire sale." On today's marketplace, this classic rarity should fetch in excess of (\$2500)

- 1120 1844 5 Drachmai. Athens mint. Divo 10, Dav. 115, Cr. 13. One of the major rarities in the entire Greek series, especially in this pristine state of preservation. Virtually UNCIRCULATED with nice lustre covered with colorful toning. Some old scratches, almost invisible, are well hidden beneath the toning. PLATE (\$1250)

INCREDIBLE 1851 5 DRACHMAI

- 1121 1851 5 Drachmai. Vienna mint. Divo 11, Dav. 116, Cr. 16. Weight: 22.293 grams. Fully struck CHOICE BRILLIANT UNCIRCULATED. The surfaces are lustrous and draped with light to medium colorful toning. This incredible coin was struck over a Mexican (Durango) 8 Reales, dated 1836. How and why this occurred is a numismatic mystery that will probably never be solved. This rarity is certainly UNIQUE with these attributes and is sure to see fierce bidding competition among the specialists. (\$2000)

- 1122 1833 20 Drachmai. Munich mint. Divo 9, Fr. 1, Cr. 17. Proof-like Choice EXTREMELY FINE, sporting complete lustre. PLATE (\$750)

VERY RARE PROOF 2 DRACHMAI

- 1157 1873-A 2 Drachmai. Paris mint. Divo 51, Y-8. CHOICE PROOF with medium toning on both sides. VERY RARE and seldom seen. Probably no more than a half dozen true Proof strikings exist. Worthy of a strong bid. (\$450)
- 1158 1883-A 2 Drachmai. Paris mint. Divo 51, Y-8. Toned UNCIRCULATED, Y-shaped stain on obverse. Ex: Spink Sale 5, lot number 197. (\$200)
- 1159 1911 2 Drachmai. Paris mint. Divo 52, Y-23. GOOD EXTREMELY FINE. (\$25)
- 1160 1875-A 5 Drachmai. Paris mint. Divo 50, Dav. 117, Y-14. EXTREMELY FINE. (\$75)
- 1161 1875-A 5 Drachmai. Similar to previous lot, except VERY RARE Variety with Reversed Anchor. This major error is encountered infrequently, and when seen the coin normally grades no better than Fine. This specimen we offer here is a strong VERY FINE. Should be worth in excess of estimate. PLATE (\$250)
- 1162 1876-A 5 Drachmai. Paris mint. Divo 50, Dav. 117, Y-14. Bold EXTREMELY FINE, perhaps better, prior to being cleaned. (\$75)
- 1163 1876-A Gold 5 Drachmai. Paris mint. Divo 49, Fr. 8, Y-24. Fully lustrous BRILLIANT UNCIRCULATED. The reverse is as pristine as any we have seen, the obverse has a very small, hair-line scratch below ear, that is virtually invisible without the aid of magnification. Quite SCARCE, especially this nice. PLATE (\$750)

MAGNIFICENT 1876 10 DRACHMAI

- 1164 1876-A 10 Drachmai. Paris mint. Divo 48, Fr. 7, Y-25. Struck in yellow gold. A pristine, magnificent example with blazing lustre and fantastic eye appeal. Very **CHOICE BRILLIANT UNCIRCULATED**. There is a single tiny obverse rim bruise and a microscopic edge flaw. Both of these are barely visible, they do not detract from this specimen in any way, and are mentioned strictly for accuracy's sake. Will fit nicely into the finest collection. (\$750)

- 1165 1876-A 20 Drachmai. Paris mint. Divo 46, Fr. 6, Y-A25. **EXTREMELY FINE**. (\$285)

- 1166 1884-A 20 Drachmai. Paris mint. Divo 47, Fr. 9, Y-26. Virtually **UNCIRCULATED**. Nicer than what's usually seen. (\$175)

PATTERNS

- 1167 1869 Pattern One Lepton, with ESSAI below value. Paris mint. Divo P96, KM-Pn17. **CHOICE UNCIRCULATED**, deeply toned with traces of original color. Quite **RARE**. **PLATE** (\$350)

- 1168 1912 Pattern 10 Lepta. Divo P90. Without ESSAI. No Mintmarks. According to Divo just one specimen reported to be in a collection in Athens. However, it is our belief that the piece is not all that rare. **EXTREMELY FINE**. (\$200)

- 1169 1876 Pattern 20 Lepta. Paris mint. Struck in Cupro-Nickel. Divo P86. VG-3882, Mazard 2234. **GEM BRILLIANT UNCIRCULATED**, semi-Proof-like surfaces. This is only the second specimen we have seen in the last six years. That one being the specimen we sold in our 1979 CIGF sale (\$3,900), where we described it as, "EXCESSIVELY RARE, it is surprising to note that Divo only gave the coin an "RR" rating". Missing in all private collections known to us, it should today be worth at least (\$1250)

- 1170 1868 Pattern 2 Drachmai. Paris mint. Divo P79, KM-Pn16. Similar to the currency issue, only without mintmark on either obverse or reverse. **EXTREMELY RARE GEM BRILLIANT UNCIRCULATED**, fully Proof-like with lovely purple, blue and pink toning. Similar in quality to the Spink Sale number 5 specimen, which brought the U.S. dollar equivalent of approximately \$3,500. Today its probably worth about half that figure. **PLATE** (\$1250)

1911 MULE/PATTERN
ONE OF POSSIBLY TWO KNOWN EXAMPLES

- 1171 1911 2 Drachmai Pattern marked with "ESSAI" on reverse by denomination, near rim. Paris mint. Formerly sold by us five years ago in our 1980 CIGF auction sale (lot number 943, at \$5,000), where we described it as follows; "Obverse same as Divo P80, reverse same as P79. The obverse is of the standard 1911, the reverse is similar to those used in 1868-1883. **UNLISTED** and previously **UNKNOWN** prior to the Spink Sale. The specimen we offer here is only the **SECOND KNOWN**. It is a **MATTE PROOF GEM** except for small mark on obverse by mouth. Demand should be strong and we wouldn't be surprised if a record is set. Today it should realize in excess of (\$2000)

EXCESSIVELY RARE ESSAI 5 DRACHMAI OF 1873

- 1172 1873 Pattern 5 Drachmai. Paris mint. Divo P76. Ex: 1980 CIGF, lot number 935 (\$7,000 on a \$4,500 estimate), where the following description was given, "The obverse is similar to that of the currency issue, except portrait is without moustache. The reverse is identical to the regular issue, but with "ESSAI" in left field before value and without mint marks. **EXCESSIVELY RARE**, only 3 pieces were known to exist according to

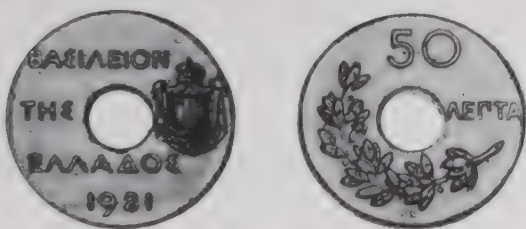

Divo, one of them being the specimen in the Farouk collection. It is our belief that this is the former Farouk specimen which appeared in The Palace Sale, lot number 2415, as it has the indications of being cleaned in the past. King Farouk loved bright and shiny coins and had attendants kept busy making sure his cabinet contained the most brilliant specimens in the world. The Pattern we now offer is CHOICE PROOF with minor handling and cleaning marks." Since we handled it last, this piece has started to tone and now sports pale golden toning. Actually, it is more attractive now than it was five years ago. A unique opportunity for the specialist. (\$2500)

Constantine I (1913-1917 and 1920-1922)

- 1173 1922 10 Lepta (2). Poissy mint. Divo 102, Y-29. Both specimens BRILLIANT UNCIRCULATED. [2 pcs.] (\$10)

- 1174 1921-H 50 Lepta. Heaton mint. Ex: 1980 CICF, lot number 945 (\$1,850), described as, "Lustrous UNCIRCULATED with some roughness on obverse rims...An EXTREMELY RARE coin, it must be considered one the the Classic 20th Century Rarities of the World. After striking it had been discovered that the metallic content of the coin was greater than the face value and the entire issue was ordered to be melted. Somehow a few coins escaped the melting pot. Divo lists the piece as being of the HIGHEST RARITY (RRR)." As always, when this coin appears on the numismatic marketplace, great interest is generated. PLATE (\$750)

EXCESSIVELY RARE 1921-KN 50 LEPTA

- 1175 1921-KN 50 Lepta. Struck by the King's Norton Metal Company. Divo 101, Y-30. BRILLIANT UNCIRCULATED with slightly subdued lustre. This is the third specimen of this great rarity that we have had the pleasure to offer at public auction. The first being in our 1979 CICF sale, the second in 1981. In the latter sale we described a similar specimen as, "EXCESSIVELY RARE. At the time Divo wrote his book, he knew of the existence of only one specimen, that one being permanently impounded in the Greek National Museum. In the last twelve years since the book was published a number of additional specimens have come to light. Today

there are probably no more than 10 or 12 specimens known to exist. The highlight of any modern Greek collection." The two specimens sold previously realized \$4,800 and \$3,100 respectively. Today, to acquire this rarity it will probably require a bid in excess of (\$1500)

PATTERN

- 1176 1922 Pattern 10 Lepta, marked with "ESSAI" above value. Divo P103, KM-Pn55. RARE. BRILLIANT UNCIRCULATED. (\$250)

- 1177 1926 Coinage, consisting of 20 Lepta, 50 Lepta with and without "B", One Drachma with and without "B", and 2 Drachmai without "B". All are GOOD EXTREMELY FINE or better. [6 pcs.] (\$25)
- 1178 1930 5 Drachmai (2), issues from both Brussels and London mints. Divo 106, Y-35.1. and Y-35.2. UNCIRCULATED though lightly bag-marked. [2 pcs.] (\$20)
- 1179 1930 10 Drachmai (2). Divo 105, Y-36. GOOD EXTREMELY FINE or better. [2 pcs.] (\$20)
- 1180 1930 20 Drachmai (2). Divo 104, Y-37. GOOD EXTREMELY FINE or better. [2 pcs.] (\$20)
- 1181 1926-B One Drachma error. Struck on the planchet intened for a 50 Lepta. VERY RARE, the first we have ever seen. VERY FINE. (\$25)

PATTERNS

- 1182 1926 2 Drachmai Trial Piece (in Copper?). Struck on a poorly annealed, or heated flan. Large raised "E" between denomination and date. VERY FINE and VERY RARE. (\$100)
- 1183 1930 Pair of Uniface die trials for the 5 Drachmai. Similar in appearance to the previous lot. Marked with large "E". VERY FINE and VERY RARE. [2 pcs.] PLATE (\$200)

- 1184 1930 20 Drachmai Trial Strike in Brass. Unlisted and possibly RARE. The coin was obviously damaged when tested for hardness, and is slightly bent, otherwise VERY FINE. (\$50)

1222 1901 5 Drachmai. Paris mint. Divo 130, Dav. 118, Y-9. Popular crown that almost never appears in high grade. In fact, even in medium (VF) grade it is a very tough issue. This coin is a sharply struck, Virtually UNCIRCULATED specimen. The surfaces are exceptionally clean with nearly full, original lustre. The obverse is deeply toned, the reverse a bit lighter. Overall, this specimen rates as one of the best four or five that we have ever seen and it should attract considerable more attention than its Krause valuation might indicate.
